

School Community Council - February 7, 2018

Minutes Approved

#### New Hires

- Hired a new math teacher - Rachel Scott
  - Looking to have her teach 9th grade next year
- Hired two interns
  - History
  - Science
  - Still looking in health
  - Probably not going to hire an intern in English
- Looking for English, ½ history, ½ ASL
- Not certain about health - probably ½
- Waiting on FTE

Currently, 3 of our interns are hired out of Trustlands

- As we plan to use Trustlands, we need to budget about 90,000 for Interns/ teachers based on rising costs/

There is some technology money - would like to use to replace Chromebooks

- Need to replace 4-5 labs for next year

#### Master Schedule/Registration

- in the process of visiting with teachers
- Registration dictates our Master Schedule
- Building Mock numbers
- Will continue to look at data and hiring

#### 7th Grade Reading Class

- trying to work towards having the middle school be a good transition
- Middle school design
  - Double decker
  - "Houses" - with groups of teachers
  - Then move to expanding to have more autonomy
- Currently, there is a reading class, we are moving away from that
  - Would prefer to have an exit strategy
  - Could be pulling the FTE for that teacher as early as next year
  - Still working with the English teachers

9th Grade - March 5th going to the high school

- will have a group picture before they go over

6th graders come - February 26th

- student council will help give them a tour
- Will promote our programs

March 7th - Registration of 9th graders through their Social Studies classes

Events on facebook will give you reminders

Feb 15th, Feb 22 - ASL will be offered on the 8th and 9th grade registration

- Adding a psychology class
- Costume and Makeup class
- Choir will add a few
- Giving more options for our 7th graders

Rewiring of the school

- 100,000 to rewire everything
- Speed up internet
- Fix dead spots

Time Clock

- District Wide - we are all getting on to it
- New leave portal type setup for the teachers
- Started it this week with teachers

Additional items for the Council

- Boys and Girls fought hard
  - Great turnout
- Capital Improvement Project possibility
  - Door into the Science Lab
  - Kris Holley - sound board and lights
  - Enclosed walkway between the two buildings
  - Other small items might not fit in Capital Improvement

Next Meeting March 7th
