We firmly enforce these policies and practices so that Spanish Fork Junior is a safe, effective, and enjoyable place.

Our school has a rich heritage and tradition, and as faculty and staff, we are pleased to be a part of this exceptional community. We strongly believe that we have great students and families, and we invite you to express your concerns, share your ideas, and expand your talents by becoming fully involved in your junior high school experience.

SFJHS Administration: Chris Loveless, Alesha LeMmon, Blake Mortensen

SFJHS POLICY, PROCEDURES, AND GUIDELINES

The policies, procedures and guidelines that follow (organized alphabetically) are based upon Nebo School District policies adopted by the Nebo Board of Education. We are bound to abide by district policy, therefore what follows is an attempt to summarize larger policies and give practical approaches of how we implement district policy at SFJHS. To access a more complete collection of Nebo Policy and Procedures go to <http://www.nebo.edu/pubpolicy/>

The items listed alphabetically below are specific to our circumstances at SFJHS. The policies, rules, and practices described have evolved over many years of school experience. As our understanding increases and new circumstances arise, some of the practices might change. However, **the basic principles at the foundation of the practices tend not to change over time: respect, courtesy, common sense, fairness, modesty, practicality, safety, etc.**

ACADEMIC PURPOSE

[Back To Top](#)

The mission of SFJHS is to achieve high levels of student learning. 7th and 8th grade studies are an important part in meeting this mission while also preparing students for even more rigorous learning to come. 9th grade is the first of a four-year program for high school graduation, and all credit earned by ninth graders is counted for high school graduation, in computing grade-point averages for scholarships, college entrance, etc. Students who become deficient in high school credit (grades 9-12) due to course failure must complete credit recovery packets to ensure they are not deficient when they leave Spanish Fork Junior High.

ASSEMBLIES

[Back To Top](#)

Assemblies provide an opportunity for students to attend school wide performances or school culture building events. Additionally, assemblies offer a venue for students to present their own talents and abilities. Behavioral expectations are always in place during assemblies and include the following:

- Students sit together with classmates in the same area with their teacher.
- Student behavior should always be refined and courteous.
- Appropriate applause is appreciated to thank those performing.
- At SFJHS there is no whistling, booing, or shouting out.

ATTENDANCE

[Back To Top](#)

The following is a summary of Nebo District Attendance Policy:

- Attendance at school is required by state law.
- Students must attend each class, on time every day unless properly excused.
- All absences must be excused by a parent within 2 days after the initial day of absence. (Exceptions must be appealed in writing.)
- Absences may be excused by telephone (801-798-4075) or by a signed parent note.
- Spanish Fork Junior High School is a **CLOSED CAMPUS**.
 - You may not leave the school grounds during the school day unless you are properly checked out by a parent or guardian at the front office.
 - A parent must come into the office or call to check you out of school if you become ill or have a doctor/dentist appointment to attend.
- You are expected to make up any missed work when you are absent.
- You are responsible to contact your teacher to get the assignments.
- If you are going to be absent for several days, you need to arrange to pick up your assignments before you leave so you will not fall behind.
- Your academic grade may be impacted by your attendance in participation based classes: i.e. - band, orchestra, choir, P.E., etc. Any time this is the case, the information will be included in the teacher's disclosure document.

The following is a summary of attendance policy in regards to unexcused absences:

- 20 total class periods absent; or 5 in any one class = Letter of Concern

- Additional 20 periods total or 5 more in any one class = Habitual Truant Citation: \$50 fine; Nebo Attendance Court.

- Failure to comply with Nebo Court directives or to change attendance habits may also result in referral to the Nebo School District Restorative Intervention Review Team for further action.

Tardies are a classroom disruption and may negatively affect your education. Students are to be in their scheduled classroom when the tardy bell rings. Some teachers also require students to be seated when the tardy bell rings. The following is a summary of how tardies are handled at SFJHS:

When arriving tardy to school:

- If you have a note from your parent, come to the office for an admit slip; otherwise, proceed to class.

When arriving tardy to class:

- Sign the tardy log (if available) in the classroom.

School administrators may approve temporary exceptions to the policy for special school activities or events. Listed here is a SHORT SUMMARY of dress and grooming policy issues that are enforced at SFJHS:

SAFE SCHOOL ENVIRONMENT POLICY SUMMARY

[Back To Top](#)

Each student and employee has the right to a safe school environment. Because there are several ways to violate a safe school environment, there are several policies which pertain to and further reinforce or clarify this important idea.

- [Nebo District Policy JD, Student Conduct and Discipline](#), clarifies many details of a safe environment and of consequences/penalties when violations occur.
- Safe school violations are serious, and aggressive measures are taken to enforce the policy and its provisions. Penalties are often long term.
- Safe school violations often involve police investigation and criminal charges.
- Ultimate school safety lies in observing all Nebo policies and specific SFJHS rules and practices. In this way we STRENGTHEN THE PACK and keep each other safe.

SECURITY

[Back To Top](#)

Because maintaining the safety and security of all students, faculty and staff is our top priority we ask your cooperation with the following:

Visitors

- ALL visitors must be cleared through the front office and wear the required visitor badge while in the school.
- Students not enrolled in Spanish Fork Junior High School may not come to school as a guest of other students.

Security Cameras

- Cameras are located in various areas of the school to help ensure the safety of students and staff. Information gathered as a result of this surveillance is frequently used to enforce disciplinary action for students in violation of school policies.

TELEPHONES - CELL PHONES

[Back To Top](#)

The following are guidelines for school telephones:

- Office telephones are for emergency use only and will be available only before and after school, or when a student has a hall pass from a teacher.
- Classroom phones may be used for emergency calls if approved by the teacher.
- Cell phones may be used for emergency calls when approved by a staff/faculty member or administrator.
- Student cell phones and other electronic devices need to be put away and not used during class time. (see the electronic devices section for more student cell phone procedures)
- SFJHS follows the Nebo School District cell phone usage policy ([JDE Student Electronic Devices](#))

TOBACCO, ALCOHOL, AND DRUGS

[Back To Top](#)

An extension of the Safe School Policy includes keeping our school safe from prohibited, harmful substances such as tobacco, alcohol, and other drugs. Please be aware of the following in regards these substances:

- It is both unsafe and illegal to use, possess, be under the influence of, distribute, or sell any of the substances outlined by [district policy](#).
- Note that the policy also prohibits imitation versions of these substances. TOBACCO: Nebo Policy states, "Tobacco, including, but not limited to, cigarettes, cigars, smokeless tobacco, electronic cigarette or cigar cartridges, **Electronic Nicotine Delivery System** (ENDS) devices, blunts, bidis, clove cigarettes, dissolvable tobacco, hookah and hookah products, products containing nicotine vapor/oil, or other tobacco/nicotine products in any form, including as these terms may be used by Utah Code Ann., Section 76-10- 101."
- The policy limits the use, possession, distribution, and sale of both prescription and over-the-counter drugs which you might be using at home. (see the *Medication* section above for more details)
- As with other safe school violations, the school penalties for these offenses are often severe and usually include additional police investigation, criminal charges, and court referrals.
- Violations almost always include a written summary on the student's permanent record.

TRANSPORTATION(Personal)

[Back To Top](#)

Many students walk to school or ride bicycles, scooters, skateboards, etc. Please observe the following:

Bicycles

- Once on school property, please dismount and walk your bike.
- A bicycle rack is provided at the NW corner of the school, but you are responsible to bring a lock. We are not responsible for the security of your bike.

- Once on school property, dismount and carry your wheeled device. You should bring only what you can store in your school locker.

WITHDRAWAL OR TRANSFER

[Back To Top](#)

If you are moving or withdrawing from school, please observe the following:

- Several days before a student plans to withdraw from school, a parent or guardian must contact the school to receive instructions on proper procedures.
- Students must return books, pay all fines, receive a current grade, and verify status with each teacher.
- The parent, student, and an administrator must sign the withdrawal document before it is official.

YEARBOOK

[Back To Top](#)

Each year the yearbook staff puts together a school yearbook. These can be purchased in advance from the finance office beginning at registration. There will be a limited number available for purchase on yearbook day. However, only those who purchase in advance are guaranteed to receive a yearbook. Yearbooks will be distributed on the last day of the school year. Those students who have cleared all fines and fees may get them one day early. Those students who have paid for a yearbook--but do not have access to the school due to suspension, alternative placement, or transfer--may pick up their book from the office at the end of the last day of school.

Welcome, Students!
We look forward to a great year!
