- School Improvement plan

**March 15th SIP is turned in.**

**Suggestion from school Board to have 3 goals, we have 6 currently.**

**Go through each goal**

**Goal #1- Discussion about communication.**

**-Question about teachers and reporting back to parents- SCC parents like the feedback.**

**-Will have Mrs. LeMmon send out a link about how to have student grades sent weekly to parents.**

**-Suggestion to rewrite goal to have teachers trying to communicate out to teachers. Focus on goal 5 in the action plan.**

**- Parents would like weekly updates.**

**Goal #2 - Discussion**

**-Effectiveness of Monday collaboration.**

**-Teachers discussed about what they are doing. Like collaboration as they share ideas and ways to improve. Teachers gave ideas they have from personal accounts.**

**Suggestion made to condense this goal or eliminate it as it is the standard for the district to do this. Will eliminate this goal.**

**Goal #3- Discussion about pack time and ways that it helps them improve.**

**-The importance of our youth support team and the opportunity students have to relearn or have time to get caught up.**

**-Teachers give up prep time or even lunch to help other students.**

**-Need to look at the measurements of success: #4**

**Goal #4 Positive behaviors**

**-Will try to communicate out to parents about what the theme is.**

**-Liked goal as is.**

**Goal #5 Best practice for teachers.**

**-teachers are sent to trainings to help them improve their craft.**

**-Would like to continue this type of goal in the trustland goal.**

**Goal #6- Technology in school**

**-Chromebooks and projectors are becoming the norm and the district funds technology.**

**-eliminate this goal and put into trustlands goals.**

**Suggestion from Matt Christensen to fix the SIP and represent it next month.**

- Comments or questions from members?

**Motion to close the meeting by Tamara and seconded by Julie.**
