

School Community Council - April 12, 2017

March minutes approved

### School Improvement Plan

- Very similar to the Trustlands plan
- Goal 1
  - Will continue the weekly email
    - New TSA - Blake Mortenson
    - New Assistant Principal - Alesha LeMmon
  - District keeps track of where we are in Social Media
    - Have about 858 likes on our Facebook site
  - Need to get the students more involved to get more traffic
  - Suggestion - move to Instagram
    - Students tend to get more on instagram
    - Had Instagram before - students posted not so nice things
- Goal 2
  - We are using the collaboration time very well
  - Math department using and being trained in CMI
  - CTE department has district wide collaboration
- Goal 3
  - Interventions for struggling students
  - We have created a culture of interventions
  - We want high level tier 1 instruction, but we need the interventions because of other factors
  - Solid demographics for 85 percent of the kids
    - These are best served through tier 1 instruction
  - 10 percent of students are struggling a bit
    - Need to systematically identify them
      - Youth support looks at all students with a failing grade
  - 5 percent of students are highly at risk
    - Difficult homes
    - Single parents
    - Drug use in the home
    - We have interventions in place
      - Study skills class with tracking coach
      - Pack Time Math Lab
  - We want all students to be successful
  - Americorp data
  - In our school we don't inflate grades - we work hard to help the kids improve their own skills
  - Need to fix READ 180 to go imagine learning
- Goal 4

- Positive Behavior Support Program
- Choose to Matter
- Honor Roll Certificates
- Can always do better - looking for new ideas
  - Posting an Honor Roll
  - Stand4Kind club?
  - Especially for Athletes - to try to apply to whole school
- Goal 5
  - Professional Development
  - Minimal Days
  - Would like to have a 3-5 year strategic plan to look at professional development
- Goal 6
  - Technical Support
  - Utilization of technology in each of the classrooms
  - Discussion of chrome books and their lifespan
- Due April 23
- Approved

Review of those that will need to re-elect next year
