**Canvas Parent Access**

Parents can sign up as an observer in Canvas and link their account to their students' accounts so they can see assignment details and due dates, announcements, assignment submissions from their students, and feedback from the teachers. Observers can view the course content, but cannot participate in the course.

A **Canvas Parent app** is available for mobile devices. Although the instructions below explain the web-based process for setting up parent accounts, the app will require also the student username and password that is described in the first few steps of the process below.
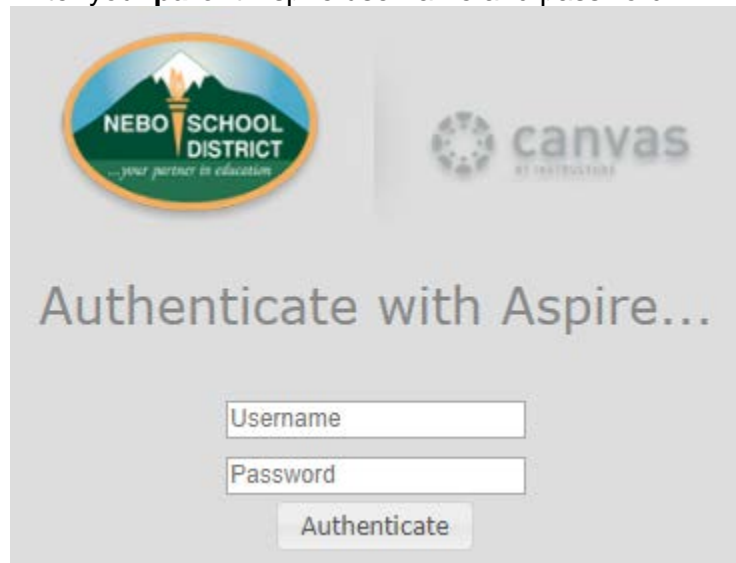

1. Obtain student emails and passwords from district.
   a. Go to http://canvas.nebo.edu
   b. Click the "Link to Student Accounts" link at the bottom of the screen.
   c. Click the "Look up a Student's Canvas ID & Password" link.
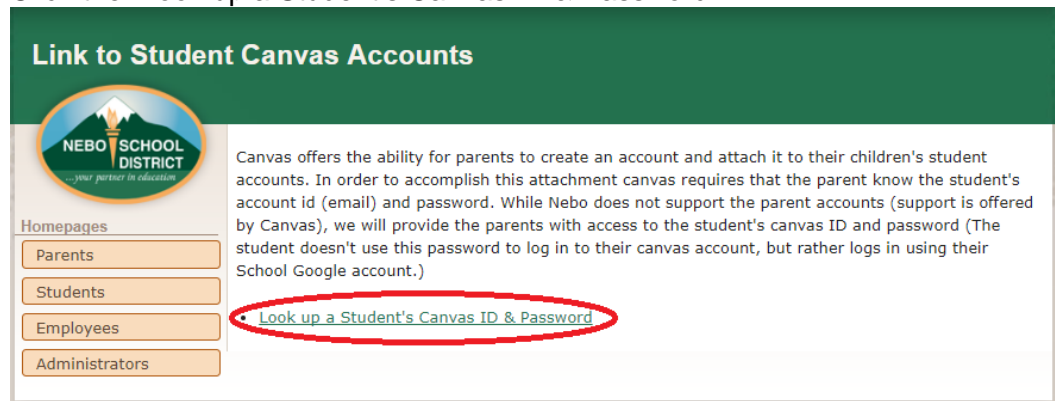

d. Enter your **parent** Aspire username and password.

e. You will then see your student(s) email and a password that will be needed in the next step.

2. Return to http://canvas.nebo.edu.

3. Click on the "a Parent*" link.

Login to Canvas as...

a Student   a Parent*   an Employee

*Parent accounts provided by Canvas require a Link to Student Accounts.

4. Click on the link for parents in the upper right-hand corner of the next screen.

5. Key in the information requested. Be sure to use your student's email address as the username and the password obtained from the district as the password.
