## Welcome/Introductions:

## Discussion on Meeting format and parliamentary procedures:

- We went over the rules and expectations.
- School Board members could just be popping in and out of these meetings in order to be involved and know what is going on with SFJHS

## Chairperson Nominations:

- Linzee Gadd was nominated to be the Chairperson. Shanni Second the motion. Everyone agreed. Esther Zacharias was nominated to be the Co Chairperson. Nicole seconded the motion. Everyone agreed.

## Discussion on Meeting times and dates:

- It is okay for outside people who have recommendations, suggestions, or questions to be involved and have their concerns be put on the agenda
- We discussed which comments are not going to be allowed

- We decided our meeting time is going to be 12:20 to allow the teacher members time to discuss before they need to leave for their next period

#### **Review of this year's Trust land Plan:**

- Chris Loveless talks about the Trustland Funds. He explains how those funds are used. Some funds are used to decrease class size, some funds are used towards chromebooks, some are used for professional development.

#### **School Improvement Plan:**

- Brief discussion about the School Community Improvement Plan. Goals and how it relates to trustland funds, interventions, and communications with parents.

#### **SCC Binders:**

- Discussion about PBIS and how that will be used in the school.

#### **Comments/Concerns:**

- There will be a training for CC Sept 29 @ 3:30
- We went over the program that replaced Pack Time, with it's pros and cons. **The school will make sure it is on the school website.** It has been posted in several newsletters.
- **The school will message out about lockers, again.**
- Discussion about how COVID is affecting the school. Chris discussed how test-to-stay works. If someone is vaccinated they would not have to test. If they choose not to test they need to stay home. He discussed differences between this year and last year. It was asked why we don't sanitize every period like last year. Chris said it was just another new policy. He mentioned that the touch contact was not a high-rate of transference, and that is why the cleaning policy has changed.

#### **Next Month Topic and Agenda:**

- Items for next month: training, COVID, videos, follow-up discussion on PBIS,
