1st Year	Brenna Price	Yes
NON-VOTING MEMBERS		
1st year	Jessica Lindley	Yes
-----	Blake Mortensen	Yes
-----	Sharman Brown	Yes

Welcome

Introductions

Celebrations

- Basketball
 - Girls Basketball won district championships!
 - They really felt the love and people were so supportive
 - Boys lost to Salem in the semi finals and it was a real heartbreaking.
 - Good things for both the boys and girls
- Pack Party
 - 266 students attended
 - No tardies and no unexcused absences
- Honor Roll
 - About 550ish students
 - 2nd term is hard because of Christmas break in the middle
- Lobo Leader Award
 - Every term we pick two students who are following the Lobo Way and give them a little night light award. We read a little blip about the students that their teachers write up about them

- Hope Week
 - We had a motivational speaker come talk about suicide prevention week
 - One of the speakers sons committed suicide when he was 12 years old and they organized this group about developing something you can have hope for! This is what we can do to avoid the pain the speaker has felt due to suicide
- Counselor Week
 - We got to shower the counselor's with love!!!
- Valentines Day
 - Singing grams were so fun at the school!
 - Made sure every student got a treat
 - Hope squad decorated all the teachers doors after school
 - Parents said that their child came home and said Valentine's Day was so fun!
 - FFA got the whole school together to make Valentine's Day cards for troops and it was such a success. We were able to make more than 1000 cards. We did a short assembly schedule to make sure every student got a chance to participate
 - FFA and Hope squad did it together which is fun to see them working together!
- Lobo Wolf Pack Award
 - Jessica had it for the month of January and she picked all the counselors because they are AMAZING

PBIS

- We are going up as a school and how we are teaching the Lobo Way
- Going out Lobo Hero awards has gone up a ton!
- Students went up from 28% to 59% of the Lobo Way characteristics
- We are advertising for Lagoon
 - We are making sure we are putting signs in all the hallways and classrooms to help students have motivation
 - No Us in citizenship, no failing grades, no detention time owed
- To show how many Lobo Heros we get, we are going to put their names on the TVs in the lunchroom. All the nominations of the kids names will be flashing on the TV all through the day
- 3rd Term pack party
 - Still working on this idea
 - Trying to recognize different groups of kids! We are trying to figure out a way to recognize a group of kids that improved from term 2 to term 3. We want to recognize the students that might not always make the other parties. Still want to recognize the groups that maintain their good grades too.

Clubs

- Trying to figure out how to bring more clubs to our school
- Zach Nowell has come up with ideas and we are going to ask teachers to be the advisor to supervise it.
 - Asking if parents can be the supervisor as well
- Would love to give something for students to look forward to!
- Mrs. Call has connections to after school programs and a lot of amazing ideas and lesson plans. Ran by a grant.

Child Access Route

- Went over places that are safe for students to walk and addressed any concerns of places that might be a little more dangerous.
- Sharman will talk to Seminary and see if they will stand outside and watch for "darters."

Trustlands/School Improvement Plan

- Discussion on where Trustlands funds and TSSA funds: chromebooks, FTE, PD, Student Advocates, other classroom technology, etc.
- Next year enrollment is around 1070. Each class has about 540.
- Talk about teacher needs.

Items from the Council

- Co-Ed PE
- Online registration
- Club Rush—doing it to March?
